To All,

Thanks for those that attended last night hope you found it worthwhile.

Here are some bullet points captured.

First Aid

- U9 Agents top up required
- U9 Spies full top up and new bag required
- All mouth to mouth tube and cover plus blankets required
- Download of head Injury form and to be taken to training and matches
- Please ensure you take first aid bag to training and all matches
- Accident forms are now in Clubhouse. Need to be filled in if any occur
- Defibulator now on site will be fixed outside in box with number to open which will be passed on

Training

- Linesman brief over view of offside law. Keith Grove to be asked to come down on a Saturday
- Referee courses to be followed up to see if can hold one at FYFC
- Visual aids to help players be taught the offside rule and also would be useful for positioning coaching to be purchased
- Level 1 course has 5 places left for dates starting February 27th

Streaming

- Question re streaming of players was raised. Although SPL like to see the best players in the 'A' side this is not always followed at FYFC due to player and parental pressures. The guidelines given were that it is all about the players having fun and having game time. It is important however where more than one side in age group there is some fluidity of players up and down and that the Managers in age group discuss regularly. For age groups U7 and U8 it was generally felt too early to stream.

Football Development Officer Comments

- Had a meeting with Andy Hunt 1st team Manager Godalming Town. He is keen to run monthly coaching sessions at FYFC on a Saturday, starting on 24th October. Perhaps for a team of month or anyone interested. This would start at 11:30 for an hour and then invite for players to have lunch at Godalming Town followed by entrance to game and reduced entry for Adults.
- Andy is also keen on sending some Academy players if required by FYFC to help with training and also refereeing once qualified
- Looking to raise Club Status with FA to Club Development standard or higher and benefit more from things on offer from FA

CWO (PLEASE SEND THIS ON TO ALL PARENTS/ GUARDIANS)

- Reminder that all parents, players , managers and coaches should be aware of Respect code of conducts that FYFC follow
- Photography and videoing of matches you should make sure you know whom the person is taken these and that all your team and opposition are happy with this to take place

Merchandise (PLEASE SEND THIS ON TO ALL PARENTS/ GUARDIANS)

- New training tops can be customised but need to know requirements no later than 24th October to get in prior to Christmas Rachel has kindly said will devise an order form.
There will also be a small stock of sizes non customised.

Up and Coming Events (PLEASE SEND THIS ON TO ALL PARENTS/ GUARDIANS)

- Saturday 17th October cake sale for Great Ormond Street at Club
- Bonfire night reminder tickets on sale and would be good if pre purchased over next few weeks so we have an idea on numbers attending
- Godalming Town Half term Soccer Coaching available please ring Andy on 07515 882831
- A day of coaching available for Mane Charity at Merrist Wood with Roy Hodgson during half term. More details to follow

General Reminders

- If home team need to advise opposition by no later than 9 pm on Monday of week of game. Suggest at same time start getting your player availability in, tuck shop helpers if required
And referee by then as well.
- Opening and locking up. All buildings need to be locked and alarmed by last ones out. If need keys for padlocks or shown procedure then please ask.
- All goals where required to be pegged down during match. After matches pegs to be put back in store together with corner flags. Goals to be chained up to fence line and off pitches where provided.

- Match fees to be collected for each home game and paid in on regular basis to Richard Nichol. Paying in books available from Lisa or Richard.
- Kit should of only gone out to those that are full members / part paid members as these only ones allowed to play. Please also keep a note of shirt number each player has. A sheet to be given to all managers for keeping this record or please use paying in books where space to list players. Replacement shirts are difficult and expensive to replace.

Club Finances

- I can confirm we are in a healthy state and have recently purchased the following:-
Ball Net stopper for behind pitch 9 at cost of £600 and 4 new 7 a side goals on wheels for £3,600 for pitches at Loseley School

If have any queries let me know.

Many thanks

Peter Hirons
Chairman FYFC
